

Anti-bribery

Fourth Wall Creative is committed to conducting business in an ethical and honest manner, and is committed to implementing and enforcing systems that ensure bribery is prevented. We have zero-tolerance for bribery and corrupt activities. We are committed to acting professionally, fairly, and with integrity in all business dealings and relationships, wherever in the country or we operate.

Fourth Wall Creative will constantly uphold all laws relating to anti-bribery and corruption in all the jurisdictions in which we operate. We are bound by the laws of the UK, including the Bribery Act 2010, in regards to our conduct both at home and abroad.

Fourth Wall Creative recognises that bribery and corruption are punishable by up to ten years of imprisonment and a fine. If our company is discovered to have taken part in corrupt activities, we may be subjected to an unlimited fine, be excluded from tendering for public contracts, and face serious damage to our reputation. It is with this in mind that we commit to preventing bribery and corruption in our business, and take our legal responsibilities seriously.

All employees and those under our control are equally responsible for the prevention, detection, and reporting of bribery and other forms of corruption. They are required to avoid any activities that could lead to, or imply, a breach of this anti-bribery policy.

Nicholas Noble, Chief Operations Officer
